Suggested Headline: Recycling Center Offers Free Wood Mulch

The Manitowoc County Recycling Center is offering free wood mulch at the Basswood and Woodland compost site. This offer is due to a reduced demand for biomass fuel in the region and will continue until further notice. The normal charge for this material is \$8 per cubic yard. Our wood mulch is made from shredded brush brought in by residents. Many people use this wood mulch for a ground cover around plantings and flower beds or as a fill layer under more expensive specialty mulches.

Guidelines

- You may load your own for free at either the Basswood or Woodland Compost Site.
- Loading is available Monday to Fridays from 7:30am to 3:30pm at the Basswood Site only. There is a small loading fee of \$2.00 per load for residents. Stop at the Main Office first.
- Deliveries are available for \$30.50 per load within Manitowoc County.
- Businesses and farms that need large amounts should contact the Recycling Center at 683-4333 for details.
